# MEET Lorraine

For Lorraine and her family, owning a home means security and the freedom from ever having to move again. Before learning about Habitat for Humanity, the possibility of having to move out of Fort Collins, the community she both works in and loves, was all too real. "I have tried to find an affordable, long-term rental but seem to find myself moving every year or two – primarily due to landlord selling out from under me."

Upon learning that her family had been selected to build and purchase a Habitat for Humanity home, Lorraine only felt shock. "I kept saying, 'what a blessing for us!' A Habitat home will allow me to stay in the community I work in and love to support in various ways. Our home will be a place of comfort, a place for my children and grandchildren to visit, where I can be creative and make my mark permanent. Owning this home will be peace of mind and a place to hang my hat! Our future will be full of opportunities for personal and professional growth, celebrations, holidays, flowers, painting, and maybe even a dog or cat."

## GET INVOLVED AND PUT YOUR FAITH INTO ACTION

Our mission is about tearing down walls and building bridges. It is about offering hope and transforming lives. It is about serving God by serving others.
