# MEET Leigh

Bike riding along scenic trails, camping, and having four distinct seasons are just some of the things that Leigh and her family love about living in Fort Collins. Since leaving Arizona and settling in Colorado twelve years ago though, they have moved multiple times in search of quality and stable housing. It was while working with another housing agency that they learned about Habitat and decided to apply with the hopes of eventually owning their own home and finally having stability in their lives.

Leigh says she was initially confused when hearing that she had qualified to build and purchase her own home with Habitat for Humanity. "My heart skipped a beat and my head was spinning. I have never been so happy to have been given an opportunity like this. I couldn't wait to tell my daughter and the rest of my family. We will finally have a permanent foundation in a community where we can build relationships with our neighbors. It is also an amazing symbol of what I have worked so hard for over the past twelve years."

## GET INVOLVED AND PUT YOUR FAITH INTO ACTION

Our mission is about tearing down walls and building bridges. It is about offering hope and transforming lives. It is about serving God by serving others.
