

What Will You Build?

Hope For The Future,
Better Communities, and
Stronger Families

MEET Roberta

Persevering through life's difficulties has taught Roberta how to overcome and even thrive. Years of public housing, the search for employment paying a living wage, and even homelessness has not deterred her from constantly working toward a better life for her and her children. They work hard and remain close, playing UNO on the weekends and trying out a new pizza place every Friday night.

"Words can't describe the gratitude I feel for Habitat for Humanity. For giving me the opportunity to finally purchase my own home. When I heard I had qualified for the program, I felt tears of joy! I still can't believe it. It's definitely a dream come true. Owning a home means stability and it means I can finally feel safe. I look forward to celebrating Dia de los Muertos together and helping my daughter decorate her own room. And I want to see my children continue their educations and to follow in my footsteps to one day own a home of their own for their families."

GET INVOLVED AND PUT YOUR FAITH INTO ACTION

Our mission is about tearing down walls and building bridges. It is about offering hope and transforming lives. It is about serving God by serving others.
