

Ken & Christie

Legacy Donors,
Faith Champions representing
Immanuel Christian Reformed Church

When a friend comes knocking on the door, you respond.

A few years ago, someone asked if we would consider including Fort Collins Habitat for Humanity in our legacy plans. We responded with, “We already have.”

This reflects who we are.

Over our lifetime together, we have participated with many organizations that have shaped and/or focused our Christian worldview. Every square inch belongs to God. These organizations include spiritual, ecological stewardship, food, medical, disaster relief, youth & community development, evangelism, homelessness, and housing (Habitat!). Everyone needs a decent place to call home.

Our desire is that God will allow us now and at the end of our lives to not only bless our children, but also the organizations that impacted our lives along the journey. In regard to Habitat, we see what it means for families locally and throughout the world that now have an affordable home.

If you'd like to leave a legacy of supporting Habitat in your will, please contact Chad Bauer, Faith and Legacy Giving Manager, to get started. 970-488-2606 or cbauer@fortcollinshabitat.org
