Legacy Donors,
Faith Champion for First United
Methodist Church

My husband & I have chosen to be Legacy donors by adding Fort Collins Habitat for Humanity to our Final Will & Testament. In addition to annual contributions to our local Habitat, we have devoted many hours in many different volunteer ways, including on-site building, disaster relief travel, and generally being ambassadors to spread the word of the value of Habitat for Humanity in all communities. By giving a hand-up to the “missing middle” homeowner, Habitat in enriching and empowering the next generation.

“We have gladly left a bequest in our final testament in hopes of building just one more foundation for the future beyond our physical presence.” - Cindi
